Dear Bruce:

It is with great pleasure that we offer you employment in the .50 FTE position of Chemistry/Physics Teacher at Grant High School with Portland Public Schools. Enclosed you will find two copies of a probationary contract. Please sign a copy of the original contract and return it promptly to assure presentation of your name for approval on the next agenda of the Board of Directors. After Board approval, a completely executed copy of your contract will be returned to you.

This offer of employment is contingent upon an Oregon Teaching License that is appropriate for your assignment. It is your responsibility to maintain a current license. Your license must be registered in the Department of Human Resources before your first working day.

A range of benefits is available to you including but not limited to medical, dental, life, long-term disability and various leave options. Depending on your insurance eligibility, there may be an employee contribution toward insurance. Portland Public Schools is a public employer participating in the Public Employees Retirement System (PERS/OPSRP). Eligible employees are required by statute to contribute 6% of their salary on a pre-tax basis to PERS/OPSRP. Additional information on your benefits will be available to you soon.

- Information outlining the various District benefits available to you.
- Information brochures/forms for enrolling in the District's Health & Welfare Trust insurance programs.
